

HIV Client-Centered/Risk Reduction Counseling

Three-Day Training
October 19-21, 2004

COURSE DESCRIPTION: Enhance client-centered counseling techniques with emphasis on assessing risk for HIV and STDs. With practice sessions throughout the course, support realistic, client-driven steps to reduce risks. Review basic counseling strategies using a harm/risk-reduction approach. Examine how cultural values and norms of client and counselor can affect counseling sessions.

WHO SHOULD ATTEND: Health care personnel and educators involved in education or behavior change programs, including HIV testing and counseling. Certification is required for State contractors who plan to provide HIV testing and counseling. (*Training requires a minimum of ten participants.*)

DATE & TIME: October 19, 20, & 21, 2004 8:30 a.m. – 4:30 p.m.

CERTIFICATE OF COMPLETION REQUIRES THREE-DAY ATTENDANCE

LOCATION: The Coeur d'Alene Resort
Coeur d'Alene, Idaho
(State rate for rooms available upon request)

COST FOR THE 3-DAY TRAINING: \$ 75.00
Cost includes training, certificate of completion, manual, and continental breakfast.

Training provided by the California STD/HIV Prevention Training Center

Deadline for registration is October 1, 2004.
